**Description**

redmine_scm breaks the page /admin/info with the following error:

```
App 50911 stderr:   Rendered admin/info.html.erb within layouts/admin (155.7ms)
App 50911 stderr: Completed 500 Internal Server Error in 178ms (ActiveRecord: 2.6ms)
App 50911 stderr:
App 50911 stderr: ActionView::Template::Error (The provided regular expression is using multiline
anchors (^ or $), whi
ch may present a security risk. Did you mean to use \A and \z, or forgot to add the :multiline =>
true option?):

```

A hotfix is (it's probably also the proper fix) to replace '^' with '/A' and '$' with '/z' in plugins/redmine_scm/app/models/repository/github.rb:4
