

Orangutan - Improvement #125

Create a special contexts for handling numbers

09 Mar 2010 17:49 - Andriy Lesyuk

Status:	Closed	Start date:	24 Oct 2010
Priority:	Minor	Due date:	24 Oct 2010
Assignee:	Andriy Lesyuk	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	1.04		
Description			
Some of contexts print a list of something, for example list of questions (Help), list of tasks to add (WorkHours) etc. It would be nice to have these lists numbered and to have an option to specify a number (this way selecting a particular item). This context should be similar to YesNo. Changes to contexts providing lists are required too.
