

Orangutan::Redmine - Feature #170

Issue creation

31 Mar 2010 18:31 - Andriy Lesyuk

Status:	Open	Start date:	
Priority:	Minor	Due date:	
Assignee:	Andriy Lesyuk	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	1.06		
Description It would be very useful to have a contexts allowing to create issue. These contexts should be similar to bug tracking ones (now removed). The contexts should allow to create an issue by one command. Possibly some contexts should allow to modify existing issues. Which dialogs/requests to use for creating issues is to be determined (suggestions are welcome).
