Target version:			
Description			
<p>Saying if I want to create some hidden project on this website I can't do this because Anonymous and Not members roles have access to issues etc. Actually I can't restrict access to these roles on projects base...</p> <p>Interesting if it is possible to write a plugin for "reassigning" these roles to another ones... Plan to investigate this. I think such plugin would be useful for many users.</p>			

History

#1 - 02 Jan 2012 12:09 - Andriy Lesyuk

- Status changed from *Incomplete* to *Open*
- Priority changed from *Minor* to *Major*

May need this for tracking time...

#2 - 13 Feb 2012 11:41 - Andriy Lesyuk

- Status changed from *Open* to *In Progress*
- % Done changed from *0* to *20*
