

## CD-Index - Feature #1722

### Separate common code into library

03 May 2011 21:08 - Andriy Lesyuk

<b>Target version:</b>	
<b>Description</b> Currently source files are compiled into *.o files and then into cdfind, cdindex etc. If a new tool is added the same should be done for it. It's not good for development for CD-Index. The corresponding code should be moved to e.g. libcdindex library.
