Description

I wondered how the plugin would behave if there would be many files in a version... Well, it seems to sort filenames by name and use the first one... That's no good!

There should be another "rule" to retrieve the latest file! The easiest one is to use the latest!

History

#1 - 01 Jul 2011 07:12 - Andriy Lesyuk

- Status changed from *Incomplete* to *In Progress*
- Target version set to *0.0.2*
- % Done changed from *0* to *30*

#2 - 29 Aug 2011 08:07 - Andriy Lesyuk

- Due date set to *29 Aug 2011*
- Status changed from *In Progress* to *Closed*
- % Done changed from *30* to *100*

Added possibility to configure and warning on new file...
