

SCM Creator (+Github) - Bug #2101

Plugin does not (fully) work on Redmine 2.1.x

27 Sep 2012 08:16 - Martin Corino

Status:	Closed	Start date:	27 Sep 2012
Priority:	Major	Due date:	28 Nov 2012
Assignee:	Andriy Lesyuk	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	0.4.2	External issue:	
Redmine version:	2.1.0		

Description

In particular the Javascript code in the repositories helper patch does not work because that is Prototype style javascript where Redmine 2.1.x uses Rails 3.2.8 which uses JQuery.

Stuff like `$("#id").value = 'something'` needs to change to `$("#id").val('something')` and more like that.

The changes are actually pretty trivial. Below are patches I made to make it work (not taking cross-version support into account).
