I'm working on this issue and I've made a patch. attachment:"repository-view-#2122.patch" (see also [https://github.com/t-yuki/redmine\\_scm/commit/ca0c269a4da1414bc98f9edb30a7cebd67f94e85](https://github.com/t-yuki/redmine_scm/commit/ca0c269a4da1414bc98f9edb30a7cebd67f94e85))

This looks like:

scm-creator  Statistics | Revision:  |  |  New repository

Name	Size	Revision	Age	Author	Comment
app		126	about 20 hours	s-andy	Fixes for Redmine 1.4.x (closes #2193 and #2194)
assets		124	2 months	s-andy	Added hidden field for disable repository mod

I hope this will be helpful.

I updated the patch and removed the unrelated "New repository" functionality.

I'd be very happy if you'd merge this easy, small, quick fix into the next version!

Thanks a lot for your work!
