Description

I'm not sure, but maybe we should have small avatars in user links?.. Like:

This is me:  Andriy Lesyuk ...

Your thoughts?

History

#1 - 04 May 2015 17:15 - André Lozovey

This would be great, but I think it would be better if we had three option:

- user
- user with avatar
- user's avatar

This way the avatar could be bigger when shown without the user's name.
