

Project Settings - Bug #2327

visual styles of sections are not applied

20 Aug 2014 10:05 - Ronny Feicht

Status:	New	Start date:	20 Aug 2014
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		External issue:	
Redmine version:			

Description

I installed your sections plugin on:
Environment:
Redmine version 2.5.2.stable
Ruby version 1.9.3-p547 (2014-05-14) [x86_64-linux]
Rails version 3.2.19
Environment production
Database adapter Mysql2
SCM:
Git 1.7.9.5
Filesystem
Redmine plugins:
project_colors 0.0.1
project_section 0.0.2

I did not receive any errors while installing your plugin and the redmine log file does not show any errors either. Yet the project list displays all projects in the same way even though ServerManager belongs to section develop and Dummy and Dummy2 belong to section Kunden.

I do not know what is going wrong. I am a Unix system administrator with no knowledge whatsoever of ruby, so please phrase your explanation like I was 3 years old.

History

#1 - 20 Aug 2014 10:23 - Ronny Feicht

Same behavior whether I run redmine on apache or webrick.
