

WikiNG - Improvement #2352

Add dropdown box on @ for users

21 Nov 2014 15:16 - Miodrag Milic

Status:	Closed	Start date:	21 Nov 2014
Priority:	Normal	Due date:	31 Jan 2018

Target version:	1.1.0		
External issue:			
Description Its very unpractical to have to look up user names in order to mention them. Perhaps implementing @user would be an option ? On related note, "redmine_mentions" does that, but it works only in issues. Thanks.
