| <b>External issue:</b>   |                                  |
| <b>Description</b><br>By default the reporters, non members and anonymous have Browse repository and View changesets. I believe that way too much access. Yes I know I can change it and have done so. Just thought it would be a good idea so that done at initial install. |                                  |
