RedPress - Bug #2404

Redmine now requires POST for logout

26 Aug 2016 17:16 - Andriy Lesyuk

Redmine version:			

Description

Now, when a user clicks on "Sign out" link in WordPress, he/she gets a Redmine page with a "Sigh out" button. Direct GET request to /logout no longer works, see [#13022](#) and [#13069](#). A workaround needed.

Logout now requires POST and expects valid CSRF token to be specified.
