<b>Target version:</b>	<b>External issue:</b>
<b>Redmine version:</b>	

**Description**

Styles of [Red-Andy](#) theme are going to be changed (in [1.10](#)), e.g., look and feel of buttons will be updated. As WikiNG also uses buttons, their style should be changed accordingly (see the attachment).

This change should be included into WikiNG only after [Red-Andy 1.10](#) is released (or after release of [1.1.0](#)).
