| **Target version:** | 1.08 | | | |

**Description**

If one changes issue description no one will get notified about this! This is a Redmine bug. But Orangutan could find some way to "fix it" for his users...

As an option - try finding some "hook" in Redmine which would allow to catch description change... How to implement this is to be investigated.

**History**

**#1 - 01 Feb 2011 19:27 - Andriy Lesyuk**

*- Target version set to 1.08*

**#2 - 01 Mar 2011 14:40 - Andriy Lesyuk**

*- Project changed from Orangutan to Orangutan::Redmine*

**#3 - 03 Mar 2011 01:00 - Andriy Lesyuk**

Perhaps it should be fixed using special Redmine plugin...
